- How to understand and deal with dysfunctional methods of communication.
- The three steps to striking a sexual match.

Criticism and complaining can become care and concern.

Every successful marriage always has one element in common, positive communication. When we say negative words to each other, we lose our sense of purpose and hope for the relationship. In this power-

packed session, Jimmy will reveal the secrets to understanding the power of words and how to use them to build a great marriage.

Break: 8:00 p.m. – 8:30 p.m.

Session Two: I Wish I Had Their Marriage

God has a purpose for your marriage beyond you.

Time: 8:30 p.m. – 9:30 p.m.

The key to experiencing lasting passion and intimacy is understanding the factors that will determine your success. It doesn't matter what mistakes you have made or what you may have experienced in the past, Jimmy will show you how you can have the kind of marriage that grows deeper the longer you are married. Learn how God wants to use your relationship as a positive example for your family, friends and children.

Every word makes an impact.

Time: 9:00 a.m. – 10:00 a.m.

Even at birth we are naturally ineffective at communication. From parents to role models, we have all been influenced by imperfect people. It is only when we become aware of these influences that we can overcome them. Through humor and personal experience, Jimmy will expose the ten dysfunctional methods of communication that cause problems in marriage.

Break: 10:00 a.m. – 10:30 a.m.

Session Four: Striking Your Sexual Match

Turn disappointment into delight.

Time: 10:30 a.m. – 11:30 a.m.

Fulfilling sex in marriage is always intentional and never occurs over a long period of time by chance. Jimmy will uncover the mystery and show you how to ignite the sexual passion and keep the flames burning for a lifetime. Sexual disappointment doesn't have to divide you and your spouse, it can bring you together in a powerful expression of intimacy.
